Rocco and TV Angie

ROCCO
These old generals on TV are pumped by The Pentagon and bribed by Merchants of Death.

TV ANGIE
I see them all. Who doesn't know that?  Most everybody on the TV News is bribed one way or the other.

ROCCO
Not a pretty picture.

TV ANGIE
I'm thinking of getting 50 inch HD, throwing away all the old sets.

ROCCO
You're jammed into one little room in your grandmother's house!

TV ANGIE
So?  I can put it on the wall.  Not like these projection monsters.

ROCCO
Wanna see the individual hairs on all the pigs?

TV ANGIE
Something like that.

ROCCO
Get a girlfriend!

TV ANGIE
I  had one but she didn't like TV.
